

Dear Public Health Professional:

Public Health Professional Education at the University of Utah is hosting the Executive Education Series event **Leadership: Moving Forward**. This event is being held March 9-11, 2016, at the Little America Hotel, Salt Lake City, UT. The conference is an ongoing feature of the Public Health Professional Education series.

About the Conference:

The **Leadership: Moving Forward** conference has been specifically designed for the executive management and leadership of public health agencies and organizations. Topics include Organizational Change, Succession Planning, and the New Public Health, and leadership roles within each of these focuses.

Goals of the Conference:

The conference seeks to provide executive leadership with: an opportunity to exchange ideas and concepts regarding the core foundation of public health systems; the framework and tools to evaluate organizational structure and planning; and the chance to evaluate their leadership strengths and opportunities to engage their teams in the planning process for the future.
